

Roomy Layout for Two

The VW Amarok Single Cab is the ideal two person vehicle, providing spacious accommodation in the Husky 270 habitation cabin. Two engine sizes are available, a fuel-saving 90 kW (122 Hp) and a powerful 132kW (180 Hp) version.

The Amarok offers a very smooth ride, and is fitted with selectable 4-wheel drive. It is designed as a true pick-up with impressive on and off-road capabilities. The extra-long loadbed on the Amarok single cab is perfectly suited to the Husky 270 layout options.

The husky 270 can be built as a demountable and is a very versatile vehicle for two, a fun campervan, which is also ideal for more adventurous and extended overland travel.

The Bimobil Layout 4 was developed

especially for this extended Husky, to provide maximum living space for two persons. The rear seating area is comfortable for two people, and can be extended on request with a folding extension next to the door, to accommodate any guests when required. With the optional Bimobil tailgate you have the flexibility of enjoying the outdoors while sitting in the comfort of the vehicle.

The bathroom is very spacious, incorporating a shower, washbasin and wc. The kitchen is fitted with a two-burner hob and separate stainless steel sink, still having plenty of work surface available. The refrigerator with freezer compartment in this layout has a huge 95 litre capacity.

Also available in Layout 3.
